

WHY SHOULD I PARTICIPATE

in the 2014 Helping Hands For Freedom Golf Classic?

Helping Hands For Freedom is dedicated to supporting military children and families facing injury, loss and deployment. HHFF aims to improve children's lives through compassion, honor, mentorship and leadership programs.

With your support and participation, this year's golf tournament can be one of the most successful fundraising events of the year.

Help us continue to serve the men, women and children who are most in need, as we work to address the gaps in the military and government's support for the immediate needs facing our surviving families, our wounded service members, and military families facing deployment. In assisting children, HHFF focuses on life enrichment programs, afterschool programs and sports & education camps that develop young boys and girls into strong and productive leaders tomorrow.

Even if you can't play, there are numerous sponsorship opportunities available for all who want to support HHFF.

AT MOON VALLEY COUNTRY CLUB

Dear HHFF Friends and Family,

It is my honor to invite you to participate in the 2014 Helping Hands for Freedom Golf Classic, presented by Billing Tree. I sincerely appreciate the hard work and dedicated service of our golf tournament committee and volunteers who are committed to making this a truly memorable and successful event.

On behalf of Helping Hands for Freedom administration, and, most importantly, hundreds of military children and families, thank you in advance for participating in this event, which raises needed funds to improve our programs. HHFF is committed to meeting the challenge of helping our brave men and women in all branches of the military where a child is involved. We are devoted to identifying needs, verifying grant requests, and assuring that money and resources go directly to serving the need in a timely, efficient, and caring manner.

Thank you for investing in the lives of our military children and families! Enjoy the day!

Sincerely,

Rodney Smith, Co-Founder & President

MILITARY CHILDREN "THE STORY BEHIND THE SCENE"

The children of our wounded service members, and those who lose a parent to war, suffer not only from the devastating loss of a parent and a life-changing home environment, but also from the absence of a significant contributor to their growth, development, and education. Children whose parents serve multiple deployments also face considerable change. To these children facing such significant issues, caring mentors and proven leadership provide the vital support, encouragement, and inspiration to help them reach their goals in life. We work to address the gaps in the military and government's support for the immediate needs facing our service members, the wounded, their families and the families of the fatally wounded.

MONDAY, APRIL 28, 12:30 P.M.

At the forefront of all HHFF programs involving children will be mentorship, providing children with positive role models and surrounding them with friends and loved ones.
